

Does Medication Impact SDOH?

This podcast tells you how!

Two nationally-recognized experts apply their training and experience to a discussion of the impact that medications can have on social determinants of health (SDOH).

Partners' President and CEO June Simmons, along with AZCert President Ray Woosley, MD, offer their valuable insights during this 30-minute podcast.

A graphic for a podcast episode. It features a purple-to-blue gradient background with a white bar chart. Two circular portraits of June Simmons and Ray Woosley are overlaid on the chart. The text "How Community Healthcare Workers Innovate to Overcome Medication-Related SDOH Barriers with June Simmons & Ray Woosley" is centered below the portraits. In the bottom left, it says "EPISODE 7" and in the bottom right, it says "RADIO REV" with a small "(1-1)" above it.
