Who and What are APG Partners?

Corporate, Associate, and Affiliate levels

IT, pharmaceutical, health plans, consulting, venture capital, hospitals, and others

Support APG members in a variety of ways – for example, by sponsoring educational webinars for members, or by attending and participating in various APG meetings

Partnership Benefits

PARTNERSHIP BENEFITS	CORPORATE	ASSOCIATE	AFFILIATE*
Acknowledgment of partnership on the APG website and other branded collateral. A one-sentence description of your organization and a link from the partner list on the APG website to the partner corporate website	✓	✓	✓

Partners receive discounts and priority to support regional meetings and forums for APG members	✓	✓	✓
Partners receive discounts and priority to sponsor special projects, such as jointly created white papers and issue briefs	✓	✓	✓
Individuals who are part of a partner organization may join the APG Advocates program at the member/partner price. The benefits of this program are separate from the APG Partner programs	✓	✓	✓

*Affiliate level reserved for companies with \$5M annual revenue or less

APG Meetings

Partners can participate in many APG meetings expressly open to them!

Meetings Open to Partners

- General Membership:
Periodic virtual sessions to update members & partners on APG activities
- Policy Webinars*: Virtual
- Emerging Trends Sessions
- Special Partner California Policy updates
- Partner Advisory Council*

General Membership Meetings

Meet virtually ~3 times per year | Open to all partners

These one-hour virtual meetings provide updates on what is new at APG, relevant policy developments affecting the membership, and forthcoming events

Webinars Open to Partners

Policy Webinars

Policy webinars are ad hoc meetings.

- Topic examples:
 - ◆ Medicare Advantage rate notice
 - ◆ Medicare Physician Fee Schedule
 - ◆ Proposed rules

Emerging Trends Sessions

Bi-Monthly “Emerging Trend” sessions on LinkedIn focus on current, timely issues and topics.

- Topic examples:
 - ◆ Behavioral Health and AI
 - ◆ Whole Family Health Care
 - ◆ New CMMI programs

California Policy Update for APG Partners

This 1-hour webinar is provided twice a year. Goals:

- Provide updates regarding pending or new legislation
- Provide updates regarding proposed or new regulations
- Provide opportunity to ask questions directly to the CA policy team

APG Partner Advisory Council

Meets twice annually | 1 attendee per partner organization. Goals:

Increase communication

Obtain timely feedback from partners

Receive input on new program ideas

Learn partner priorities

Share new opportunities

WISCONSIN
COLLABORATIVE
for
HEALTHCARE QUALITY

Obesity Tool Kit and Educational Information

The Wisconsin Collaborative for Healthcare Quality (WCHQ) Obesity Advisory Group created this toolkit to address both clinical and operational workflows for treating obesity in primary care practice. To access the toolkit and their website click [here](#).

Humana Value-Based Care Report 2023

What exactly is Value-Based Care?

Value-based care (VBC) is a term that may not always resonate with people. So what does it mean for patients and what does it mean for physicians and other clinicians? To access the their Value-Based Care report click [here](#).
